

18 OCT 1972

Honorable Charles B. Rangel  
House of Representatives  
Washington, D.C. 20515

Dear Mr. Rangel:

Your letter to Mr. Helms of 26 September 1972, regarding your request for "sanitized" copies of certain Agency reports on narcotics, has been referred to me.

On 16 July 1972, I wrote to you forwarding an advance copy of a study by the Cabinet Committee on International Narcotics Control on this subject entitled "World Opium Survey 1972." As I pointed out at the time, this study was based on contributions from a number of Federal agencies, including the Central Intelligence Agency.

The study is unclassified, and for all practical purposes represents a "sanitized" version of material which you had originally requested. I therefore trust that you will find it responsive to your needs.

Sincerely,

STATINTL

John M. Maury  
Legislative Counsel
